

## An Introduction to spoon carving

10am - 4pm Saturday 30<sup>th</sup> May 2020

A day for complete beginners, the course will teach you how to turn a piece of tree into a practical useful object. You'll get to grips with some unusual tools – shave horse, drawknife and hook knife to create your very first wooden cooking spoon or spatula. We'll use wood cut from the Bottoms' Corner just a day or two in advance – probably field maple, cherry, sycamore, hazel and willow.

Plenty of tea and coffee with homemade cake is on offer throughout the day.

### Course venue

The course provides the opportunity to spend a day in the beautiful and peaceful setting of Bottoms' Corner Wood. We will be outside in Bottoms' Corner Wood, a working hazel woodland that's part of the Wassledine farm, Upper Gravenhurst, Bedfordshire. The wood is midway between the villages of

Gravenhurst and Campton, a location that's hidden away, so further directions will be sent before the course date.

Although it's a beautiful setting, please be aware that the facilities are quite basic. There is off road parking along a surfaced but bumpy track. We have an outside, composting toilet with camping style hand wash.

### Access and requirements for the day

You won't need any previous experience of wood working or carving to enjoy the day. Some of the process of can be carried out successfully whilst seated but there is a fairly large amount of bending and kneeling involved and some upper body strength and manual dexterity is required.

There's a walk of about 300m over grass rides (including a slope), from the car park, through the woodland to the venue. We can provide a lift from the car park for you if you need it. If you have any doubt about your physical ability to enjoy the day, please call for a chat; we'll do all we can to make the day work for you. If you would like to come by public transport, please let us know in advance; we will assist if we can.

### What to bring:

- Packed lunch (We'll provide tea, coffee, drinks, biscuits, fruit and homemade cake.)
- Suitable outdoor clothes, boots, waterproofs or sunhat (remember we will be outside all day)

### Wet weather plan:

There will be some shelter in the wood, so some rain is not a problem, but if the weather is extremely bad the course may have to be cancelled. Please provide us with the best number to contact you on in case we are very unlucky with the weather. If this happens a full refund will be provided. If you don't hear from us assume the course is going ahead.

### Booking & Payment:

The cost of the course is £70 per person. Please complete the booking form available from us from <http://wassledine.co.uk/a-day-in-the-woods/courses-and-events>

### Course tutor

The course will be led by local wood carver and craftsman Ed Burnett. Ed worked for many years in Hertfordshire and Bedfordshire managing country parks and woodlands and is now a full-time green woodworker, carver and basket maker. He enjoys making functional, beautiful things and knowing about where the materials come from, particularly sourcing timber and willow from Bedfordshire. See more at Stockwood Carvings on Facebook .

If there's anything else you need to know just give us a call or send an email.

## Wassledine Days in the Woods

### Booking Terms and Conditions

Payment - The price of the course includes the cost of all materials and refreshments (excluding lunch).

Your place is confirmed once payment has been made.

Payment methods – BACS, cash or cheque

Payment is required in full at the time of booking

Please use these bank details if paying by BACS – ‘Wassledine’ Nat West Account number 17842433 Sort Code 60 24 77

Please make cheques payable to “Wassledine”

### Cancellation

Wassledine reserves the right to cancel a course at short notice should events beyond our control make this unavoidable. One reason for a last-minute cancellation is a very poor weather forecast. There is some shelter in our woodland site so light rain and wind is not too problematic, however, the prospect of heavy or prolonged rain or very high winds would mean that a course could become unsafe or at least not enjoyable. If this occurs, a decision will be made 24-36 hours before the course and a full refund of the course fee will be made. An alternative date will be offered.

For participants cancelling - a full refund will be made providing more than 14 days’ notice is given. For cancellations of less than 14 days’ notice a 50% refund will be made. For cancellations within 7 days no refund will be made.
