

Basket making for beginners

Sunday 3rd May 2020 9.30am - 5pm

Course information

This day will introduce you to working with willow and allow you to get to grips with making your own round basket to take home. We will use willow grown on our small farm in Gravenhurst. Participants with some experience will be able to try some different techniques - if you have something specific in mind please contact us in advance. The course also provides the opportunity to spend a relaxing day in the beautiful and peaceful setting of Bottoms' Corner Wood. Plenty of tea and coffee with homemade cake is on offer throughout the day.

Course venue

The course will take place outside in our own, beautiful Bottoms' Corner Wood, a working hazel woodland that's part of the Wassledine farm, Upper Gravenhurst, Bedfordshire.

The wood is midway between the villages of Gravenhurst and Campton, near Shefford. It's a location that's hidden away, so further directions will be sent before the course date.

Although it's a beautiful setting, please be aware that the facilities are quite basic. There is off road parking along a surfaced but bumpy track. We have an outside, composting toilet with camping style hand wash.

Access and requirements for the day

You won't need any previous experience of basket making or willow work to enjoy the day. Although most of the making can be done whilst sitting, a fair amount of bending, some manual dexterity and strength in the fingers is required. There's a walk of about 300m over grass rides (including a slope), from the car park, through the woodland to the venue. We can provide a lift from the car park for you if you need it. If you have any doubt about your physical ability to enjoy the day, please call for a chat; we'll do all we can to make the day work for you.

If you would like to come by public transport, please let us know in advance; we will assist if we can.

What to bring

- Secateurs (we can supply some)
- Packed lunch (we'll provide tea, coffee, drinks, biscuits, fruit and homemade cake.)
- Suitable outdoor clothes, boots, waterproofs or sunhat (remember we will be outside all day)

Wet weather plan

There will be some shelter in the wood, so some rain is not a problem, but if the weather is extremely bad the course may have to be cancelled. Please provide us with the best number to contact you on in case we are very unlucky with the weather. If this happens a full refund will be provided. We will try our best to rearrange another date for the course. If you don't hear from us assume the course is going ahead.

Booking & Payment

The cost of the course is £75 per person. Please complete the attached booking form.

Course tutor

The course will be led by local craftsman Ed Burnett. Ed is a self-taught green woodworker and basket maker. He reckons his first baskets were dreadful so he'll be able to help you avoid all his mistakes! He enjoys making functional, beautiful things and knowing about where the materials come from.

Please use these bank details if paying by BACS – ‘Wassledine’ Nat West Account number 17842433 Sort Code 60 24 77

Please make cheques payable to “Wassledine”

Cancellation

Wassledine reserves the right to cancel a course at short notice should events beyond our control make this unavoidable. One reason for a last-minute cancellation is a very poor weather forecast. There is some shelter in our woodland site so light rain and wind is not too problematic, however, the prospect of heavy or prolonged rain or very high winds would mean that a course could become unsafe or at least not enjoyable. If this occurs, a decision will be made 24-36 hours before the course and a full refund of the course fee will be made. An alternative date will be offered.

For participants cancelling - a full refund will be made providing more than 14 days’ notice is given. For cancellations of less than 14 days’ notice a 50% refund will be made. For cancellations within 7 days no refund will be made.
