

# Make a willow ball

**Saturday 2<sup>nd</sup> May 2020, 10am – 4.30pm**  
**Course Information**

A willow ball could make an attractive and very unusual feature in your home or garden. During this day you'll make a ball of 12-18 inches diameter, entirely from some of our finest willow; there's no wire, string or anything else involved. No experience of working with willow is required but you will need a fair amount of persistence! There will be a wide variety of willows to choose from so yours will be a unique creation. Plenty of tea and coffee with fruit and homemade cake will be on offer throughout the day.

## Course venue

The course provides the opportunity to spend a day in the beautiful and peaceful setting of Bottoms' Corner Wood. We will be outside in Bottoms' Corner Wood, a working hazel woodland that's part of the Wassledine farm, Upper Gravenhurst, Bedfordshire. The wood is midway between the villages of Gravenhurst and Campton, a location that's hidden away, so further directions will be sent before the course date.

Although it's a beautiful setting, please be aware that the facilities are quite basic. There is off road parking along a surfaced but bumpy track. We have an outside, composting toilet with camping style hand wash.

## Access and requirements for the day

You won't need any previous experience of willow work to enjoy the day. Most of the process of making a ball can be carried out successfully whilst seated but there is a fairly large amount of bending and some upper body strength required.

There's a walk of about 300m over grass rides (including a slope), from the car park, through the woodland to the venue. We can provide a lift from the car park for you if you need it. If you have any doubt about your physical ability to enjoy the day, please call for a chat; we'll do all we can to make the day work for you. If you would like to come by public transport, please let us know in advance; we will assist if we can.

## What to bring

- Secateurs (we always have some spare pairs)
- Packed lunch (we'll provide tea, coffee, drinks, biscuits, fruit and homemade cake)
- Suitable outdoor clothes, boots, waterproofs or sunhat, sunblock (remember we'll be outside all day)

## Wet weather plan:

There is some shelter in the wood, so a little rain is not a problem, but if the weather is extremely bad the course may have to be cancelled. The decision will be taken the day preceding the course and we will contact you by phone, so please provide us with the best number to use in case we are very unlucky with the weather. If this happens a full refund will be provided. We will try our best to rearrange another date for the course. If you don't hear from us assume the course is going ahead.

## Booking & Payment

The cost of the course is £75 per person. Please complete the attached booking form.

## Course tutor

The day will be led by Guy Lambourne of Wassledine. Guy has been growing and making things out of willow since 2003. Why he started making willow balls is a mystery but they have proved very popular. He has made willow balls for many customers who have decorated them with fairy lights, grown plants through them, hung them in trees or simply enjoyed looking at them.

If there's anything else you need to know just give us a call or send an email.

## Wassledine Days in the Woods

### Booking Terms and Conditions

Payment - The price of the course includes the cost of all materials and refreshments (excluding lunch).

Your place is confirmed once payment has been made.

Payment methods – BACS, cash or cheque

Payment is required in full at the time of booking

Please use these bank details if paying by BACS – ‘Wassledine’ Nat West Account number 17842433 Sort Code 60 24 77

Please make cheques payable to “Wassledine”

### Cancellation

Wassledine reserves the right to cancel a course at short notice should events beyond our control make this unavoidable. One reason for a last-minute cancellation is a very poor weather forecast. There is some shelter in our woodland site so light rain and wind is not too problematic, however, the prospect of heavy or prolonged rain or very high winds would mean that a course could become unsafe or at least not enjoyable. If this occurs, a decision will be made 24-36 hours before the course and a full refund of the course fee will be made. An alternative date will be offered.

For participants cancelling - a full refund will be made providing more than 14 days’ notice is given. For cancellations of less than 14 days’ notice a 50% refund will be made. For cancellations within 7 days no refund will be made.
